Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Graduate coursework taken at an accredited institution prior to matriculation and graded "B" or higher as part of a Master's Degree program may be accepted for advance standing credit towards a doctoral degree. Up to 30 credit hours can be credited for advanced standing. Normally, this will be an equivalent to one year's work in the program.
