<b>Freshman Year Courses and Certification Exams</b>	In their first year, freshmen are expected to complete 32-33 credits including a MATH course, ENG 0802, and eight Gen Ed courses. Students required to take MAT 0701 and/or ENG 0701 will complete fewer Gen Ed courses. Any of these courses not completed in the first year will be completed in the sophomore or junior years—see back of sheet for details. (MAT 0701 & ENG 0701, if required by placement test results, can both fill Elective Courses.)
